BETHEL

Bethel Defeated a Norwich Team, 23 to 20, Last Night.

The principal basketball event of the season was the Bethel-Norwich game last evening, which the home team won, 23 to 20, in three hotly contested periods of 15, 10 and 15 minutes, respectively. The visitors looked like winners in the first period when only Newton of the locals was able to score. Norwich was scoring four times. In the second period Bethel overcame this handicap with one point to the good and netted two more in the third, giving a total lead of three points. The presence of "Jumbo" Regan on the visiting team in his old position at center, in the role of chief scorer for his team, added zest to the situation. Constable Forrest Blossom held down his job in good style and Constable Fred C. Putnam kept the score, the combination resulting in a most orderly game, as might have been expected. The score: Bethel, 23; Norwich, 20.

CABOT

Washington's and Lincoln's birthdays were duly observed by the G. A. R. and W. R. C. at Society hall Saturday, Feb. 22. A sumptuous dinner was served at noon by the ladies of W. R. C., about 100 partaking of the choice viands, after which the company repaired to the hall above, where a social hour was spent. Resting on easels on the platform were the portraits of Washington, Lincoln and McKinley, which received due honors by speeches from Rev. M. W. Hale and Rev. A. A. Platt. A new honor roll had been secured, containing 40 names of our Cabot lads who had enlisted, also a service flag containing 40 stars, only one gold star among the number, in honor of the memory of one, Charles Barnett, who sleeps in a foreign land. The character of W. R. C., draped in black, brought sad but pleasant memory of Mrs. Abbie Lamson, who for several years had been one of their worthy members. A fine program was rendered, as follows: Prayer, Rev. A. A. Platt; piano duet, Mrs. J. W. Butterfield, Mrs. Arthur Read; singing, "Star Spangled Banner," by the audience; reading, "Washington's Birthday," Mrs. Angus Smith; quartet, "The Old Folks at Home," Mrs. Carrie Bliss, Mrs. Arthur Read, Mrs. J. W. Butterfield, Mrs. Joseph Dress; reading, Mrs. Abbie Read; recitation, June Smith; violin solo, Marcia Austin, with piano accompaniment by Mrs. Arthur Read; reading, "A Tribute to Lincoln," Mrs. Arthur Read; reading, "Our Service Flag," Mrs. Ida Barr; quartet, "Kentucky Babe"; reading, "The Women Who Went to the Field," Mrs. Butterfield; remarks by Rev. Dr. W. W. Townsend, consulting surgeon, addressed all the county medical societies, with the exception of Lamolle and Franklin counties, it being advisable to omit said two societies on account of the influenza epidemic breaking out in these two counties and physicians being so busy that it would have been hard to get them to attend. These meetings were well attended and, in general, gave assurance of cooperation. Arsenphenamine has been secured and three cases have already received treatment at the Mary Fletcher Hospital where, through the efforts of Dr. Townsend, a venereal ward has been established. A clinic will be held at the Free Dispensary in Burlington two evenings a week as soon as the necessary equipment is received, when cases will be diagnosed and treated, or, if necessary, can be sent to the hospital.
